

## AN IMPORTANT MESSAGE TO OUR CUSTOMERS REGARDING COVID-19.

Dear Customers

We know that many of you are already taking steps to ensure your wellness as COVID-19 starts to spread in Connecticut. We want to assure you that Domenic's and Vinnie's Pizza is committed to the wellness of our customers, our employees, and our community.

We are closely monitoring the situation and following guidance from local, state, and federal agencies to make our restaurant as safe and convenient as possible. With that being said we will be shutting down our dining room until further notice. While we have always had a strict policy for cleaning and sanitizing our facilities being a restaurant, we have taken additional steps to keep our employees and customers as safe as possible while delivering the best quality food for our customers during these tough times.

We are strictly enforcing personal hygiene techniques that are most effective at combating viruses, such as handwashing techniques with an explanation below from the CDC,

1. Wet your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
2. Lather your hands by rubbing them together with the soap. Lather the backs of your hands, between your fingers, and under your nails.
3. Scrub your hands for at least 20 seconds. Need a timer? Hum the "Happy Birthday" song from beginning to end twice.
4. Rinse your hands well under clean, running water.
5. Dry your hands using a clean towel or air dry them.

Our already rigid cleaning system of cleaning is now being supplemented with additional disinfectants and surface cleanings daily as well as all employees to wear gloves while touching any kind of food in our restaurants.

All of our employees with cold, flu-type symptoms are to remain at home until symptoms are gone.

Please also help us in our efforts to keep our employees and customers safe. If you are feeling ill you can easily have someone else come pick up your food or call to purchase food when your symptoms are gone.

Together we can create a healthy environment for our customers and employees during this challenging time.

We appreciate your patience and thank you for your consideration and continued business throughout these difficult times.

Domenic's and Vinnie's Pizza Management.
